**"The Return of Christ"**  
Roy Fruits, Senior Pastor

The return of Christ is certain

The return of Christ will be sudden, personal, visible, and physical

*For the church*

*To establish His millennial Kingdom on earth*

The return of Christ brings judgment for unbelievers and rewards for believers

*Unbelievers*

*Believers*

The return of Christ brings renewal, restoration, and our final redemption

## The return of Christ provides hope in troubled times

*He secures my future so I can have real joy*

*He promises His presence so I can have peace*

*He transforms my life so I can trust Him*

*He uses me to serve others so I can reflect Him*
