***"Overcoming the Fear of Death, and Living with Eternity in View"***

Roy Fruits, Senior Pastor

**Why we fear death**

*Death is mysterious and unknown*

*Many believe we face death alone*

*We are separated from loved ones on earth*

*Our personal hopes and dreams will not be realized*

*Death is unavoidable*

**Finding freedom from the fear of death**

*Jesus is our resurrected Lord, and we are God's resurrected children*

*We immediately go into the presence of the Lord after physical death*

*We look forward to a new, resurrected physical body*

## Learning to live with eternity in view

*Trust God's provision for today and tomorrow*

*Place Christ at the center of your life*

*Don't forget where you are going*

*Live by faith through the seasons of life*
