Night of Worship

Friday, Nov. 22 | 7pm

Psalm 133:1 says, "How good and pleasant it is when God's people live together in unity!" Part of that living together is worshiping together in unity. The way we choose to love each other, regardless of our flaws...the way we worship together in unity when we've placed repentance, forgiveness, and love at the core of our relationship with each other...all of this brings great glory to God before a world that is watching. And this is called worship. We do this together every week, but we want to set aside this special night for the direct purpose of seeking God together as we sing with love and unity at the core of who we are. This is an event for your entire family from young to old. Even more...it's a place where you can invite others to come and see who God is and what He has done.

Life Groups

OVERVIEW

We like the 'group' concept because it implies community - and that is what we are after. One of the core values at Rockpoint is authentic relationships, and groups provide a context for that to happen. Sunday morning worship is the time for big-big group corporate worship. Community Groups provide a mid-size environment for people in similar life situations or with similar interests, and Life Groups provide a small group environment for truly deep relationships to develop as people grow in their faith together. Care Groups (see pages 24-26) are opportunities for those who are hurting to come and find community, support, and encouragement.

Life Groups

Join a Group - Open Enrollment

Life Groups are the basis of how we establish community at Rockpoint. In them, you can connect with and develop authentic relationships with people in like-stages of life as together you seek to grow in your faith.

Sunday Classes

OVERVIEW

Sunday classes for all adults meet weekly September through May. Drop in anytime.

Acts

Sundays, Sep. 8 - May | 9:15am

Lower Level, Rooms 1 & 2

Acts captures the joys and sorrows in the lives of first-generation Christians for 30 years after Jesus ascended to heaven. It describes the Holy Spirit's empowering of their intrepid mission to spread the gospel of Jesus Christ in Jerusalem, Judea, Samaria, and the world. Acts can also be called the Acts of the Holy Spirit, as it describes Jesus fulfilling His promise to dwell in the apostles through the Holy Spirit.

Knowing God

Sundays, Sep. - May | 9:15am

Jesus said in His prayer to His Father, "And this is eternal life, that they know You the only true God, and Jesus Christ whom You have sent." (John 17:3). AW Tozer rightly said, 'What comes into our minds when we think about God is the most important thing about us.' (The Knowledge of the Holy, p. 9). Getting to know God in a personal, experiential way and not just about God is essential to experience LIFE, both now and for eternity. Come join others as we dive deep into Scriptures and the ministry of the Spirit, Who alone can reveal both to our minds and our hearts the true knowing of our Triune God. Taught by Ray Taucher.

Sermon on the Mount by Jen Wilkin

Tuesday, Sep. 10 - Nov. 19 | 6:15-8pm

(No study Oct. 22)

Northpoint Room

While Jesus was on Earth, He modeled discipleship. Some of His most familiar teachings are recorded in the gospel of Matthew, chapters 5-7, called the Sermon on the Mount. Usually, we encounter His sermon in fragments, considering its subdivisions as complete teachings in their own right — a study on blessedness; a reflection on the Lord's Prayer; a discussion of religious devotion, money, ambition, and relationships. But, in this study, we will navigate these three chapters in Matthew as they were originally heard — as one cohesive, well-ordered message, intended to challenge us to think differently about what it means to be a follower of Jesus, a citizen of the kingdom of heaven. Come and learn from Jesus, just as His disciples did. There will be Bible study books and nine DVD teaching sessions. Taught by Kris Hoaglund

Tuesday, Sep. 10 - Nov. 26 | 9:30-11:30am

Warehouse

Our culture beckons us to succeed—to achieve excellence in our appearance, our performance, our careers, our marriages and our families. God Himself also beckons us to be women of excellence. But what exactly is He asking? What does it mean to be rooted in surrender, exemplified by obedience, and molded by discipline? Studying topics like these and many more, your eyes will be opened to know what it means to be a woman of excellence!

Taught by Gretchen Stevenson
